

# Healthy Water, Healthy People

Healthy Water, Healthy People is an innovative water quality education program sponsored by Project WET and the Hach Scientific Foundation, offers hands-on activity guides, testing kits, training, and much more.

**GOAL:** The goal of Healthy Water, Healthy People is to facilitate and promote the awareness, appreciation, knowledge, stewardship, and understanding of water quality topics and issues and to make evident the interdependence between science education and the public.

**AUDIENCE:** Healthy Water, Healthy People is for anyone interested in learning and teaching about contemporary water quality education topics.

- \* Upper Elementary through Secondary School Teachers
- \* Science Methods, Science Education and Environmental Science Professors
- \* River and Lake Monitoring Program Leaders, Drinking Water and Wastewater Plant Operators and Educators, Land and Water Managers, Conservation District and Extension Agents, Urban Program Members, Health Care Educators and Providers, Scientists, and Policy Makers
- \* Citizens - Anyone interested in Water Quality
